

Immediate release:

**Indonesian exhibitor growth accelerated to 32.3% in 2015 HKTDC fairs  
Major Asia's leading Trade Fairs in Spring strengthen business opportunities**

**25 February 2016** – Hong Kong Trade Development Council (HKTDC), the international marketing arm for Hong Kong-based traders, manufacturers and service providers, today announced that eight major trade fairs will be held from April to May to assist corporates for global or regional business expansion.

“Hong Kong Gifts & Premium Fair is the largest fair of its kind in the world while Hong Kong Electronics Fair (Spring Edition) and Hong Kong Houseware Fair are the largest of their kind in Asia. With a good reputation for internationality and product diversity, HKTDC fairs will offer traders a world of business opportunities.” said Leung Kwan Ho, HKTDC Director, Indonesia.

The eight major trade fairs held in the upcoming April and May include:

- **Hong Kong International Lighting Fair (Spring Edition)**
- **Hong Kong Electronics Fair (Spring Edition)**
- **International ICT Expo**
- **Hong Kong Houseware Fair**
- **Hong Kong International Home Textiles and Furnishings Fair**
- **Hong Kong Gifts & Premium Fair**
- **Hong Kong International Printing & Packaging Fair**
- **Hong Kong International Medical Devices and Supplies Fair**

With an advantage of close proximity to the Chinese mainland and overseas markets, HKTDC organizes more than 30 exhibitions each year to provide one-stop platform for traders to showcase their quality products and explore new partnership.

In 2015, HKTDC's some 30 exhibitions attracted about **35,000 exhibitors** and **over 726,000 visitors** from all over the world, indicating 11.2% and 3.7% increase respectively. Indonesian exhibitors **grew 32.2%** to 172 while number of buyers amounted to around 4800. Indonesian exhibitors and buyers were particularly keen on visiting Hong Kong International Jewellery Show, followed by Hong Kong International Diamond, Gem & Pearl Show and Hong Kong Toys & Games Fair.

During the period, **the total trade value between Hong Kong and Indonesia amounted to US\$5 billion**, with Hong Kong's export and import to Indonesia amounted to US\$ 2.8 billion and 2.2 billion respectively.

Indonesia is Hong Kong's **23rd largest** trading partner in 2015. Under the Belt and Road Initiative proposed by the Chinese government, Hong Kong will continue to pursue free trade and avoidance of double taxation agreements with major trading partners along the Belt and Road, as well as strengthen its role as a platform for capital formation, finance, trade and logistics, professional and infrastructure services, according to the Chief Executive CY Leung's 2016 Policy Address announced in January.

"Leveraging on our strength as international marketing arm, Hong Kong Trade Development Council is determined to facilitating bilateral trade relation between Hong Kong and Indonesia. I'm sure more new business opportunities will be established under the "Belt and Road" cooperation." added Kwan Ho Leung.

### **Portfolio of the April and May Fairs**

#### **HKTDC Hong Kong International Lighting Fair (Spring Edition)**

**6-9 April 2016**

<http://www.hktdc.com/hklightingfair>

The 8th edition of HKTDC Hong Kong International Lighting Fair (Spring Edition) is expecting around 1,200 exhibitors to the fair. A great variety of merchandise will be showcased at different theme zones which enhance business opportunities for visitors and industry players.

**LED & Green Lighting** continues to be the highlight zone as consumers and business adopt energy-efficient lighting. The Chinese mainland market for environmentally-

friendly lighting is growing rapidly and the Spring Edition is the ideal platform for trading in both functional and decorative LEDs and Green Lighting.

**Hall of Aurora** provides an elegant space for branded collections of eye-catching, high quality lighting fixtures. With an increasingly affluent and sophisticated consumer base in emerging markets, such products are seeing growing demand. Leading brands taking part in the zone include Viribright, Forest Lighting, TCL, Jaykal, SKY-LIGHTING, LITE SMART and many more.

Other product zones include **Avenue of Chandeliers, World of Professional & Industrial Lighting, Avenue of Inspiration, Advertising Lighting, Commercial Lighting, Outdoor Lighting** and **Lighting Accessories, Parts & Components**, etc.

<http://www.hktdc.com/ictexpo>

In 2015, Hong Kong's total exports of electronics products to Indonesia increased 11.7% year- on year to US\$1.6 billion while US\$423 million import value was recorded in the same period.

As the important electronics trading hub in Asia-Pacific, Hong Kong is the ideal location to stage the two influential trade fairs, the Hong Kong Electronics Fair (Spring Edition) which is the Asia's largest spring electronics fair, and the concurrent HKTDC International ICT Expo, for industry players to preview the latest trends and exchange market knowledge. The twin fairs are expecting around 3,300 exhibitors to showcase their hottest electronics products and cutting-edge ICT solutions to potential business partners worldwide.

The Electronics Fair will launch a new zone, **iAccessories**, to showcase a wide spectrum of accessories for mobile and smart devices such as bags and cases for phones and tablets, screen protectors, stylus pens among others. **The Connected Home zone** will return to introduce the application of Internet-of-Things (IoT) for home automation. Visitors can find a wide range of products that allow users to remotely control electrical appliances and infra-red devices at home. Another popular zone returning is **Robotics & Unmanned Tech** will feature the latest remote-controlled gadgets from airborne cameras to robots and much more.

---

The fair's **Hall of Fame** will return with over 570 international leading brands, including Bigben, Desay, Great Wall, Haier, Hubble, Hyundai, Intel and Polaroid. Other themed zones include 3D Printing, Wearable Electronics, Audio Visual Products, Healthcare Electronics, and more.

Meanwhile, the International ICT Expo brings the newest enterprise solutions, retail technologies, mobile applications, cloud computing solutions, telecommunications and network products, digital marketing strategies and e-commerce services for all businesses. Making a debut this year, **E-Commerce zone** will feature a variety of e-commerce technologies and services such as e-commerce platform, third party payment, IT infrastructure, system integration and workflow management.

<http://www.hktdc.com/hkhometextilesfair>

Celebrating its 31 year of success, the Hong Kong Houseware Fair will be held from 20-23 April. Being Asia's largest fair of its kind, it is expecting over 2,100 exhibitors from 30 countries and regions.

In view of baby boom and growing demand for baby products in Asian markets, especially the Chinese mainland and ASEAN, the **Baby Products Zone** is revamped from last year's **Baby & Children's Homeware zone** to cater for all the needs of babies and small children.

The debut **Interior Furnishing Materials zone** will showcase furnishing materials, hardware & DIY Tools for architectural interior project and contract business while the dedicated zone of **World of Pet Supplies** offers an ideal marketplace for around 100 exhibitors to display their pet products.

The concurrent Hong Kong International Home and Textiles and Furnishings Fair welcomes Korea and Pakistan as new comers. The most eminent zone, **Hall of Glamour** will highlight a variety of top quality products ranging from bedding, curtains, carpet and towels in an elegant atmosphere.

<http://www.hkprintpackfair.com>

Being the world's largest fair of its kind, the 31st edition of Hong Kong Gifts & Premium Fair is expecting over 4,200 worldwide exhibitors. **Hall of Fine Designs** will house about 130 high quality brands such as B.Duck, Moleskine, Nina Ricci and Sanrio. New zones such as **Art & DIY Gifts, BYOB, Photographic & Camera Accessories** and **Trophies & Medals** are established to cater market demand. Other zones include **World of Gift Idea, Avenue of Inspiration, Fine Porcelain Gifts, Green Gifts, Hiking and Camping Products and iAccessories.**

The Hong Kong Exporters' Association (HKEA), the Fair's co-organiser, will establish a pavilion to feature at two major zones: **Isle of Originality** and **Smart Design Village.**

Concurrently held is the 11th edition of the Hong Kong International Printing & Packaging Fair at AsiaWorld-Expo, with Indonesia as first-time participant. The 4 day fair is well-designed into 10 zones with **Green Printing & Packaging Solutions Zone** expanded to fulfill demand for eco-friendly, bio-degradable, light-weighted and recyclable products.

The **De Luxe Zone** will return to feature high-end products and services. In 2015, Hong Kong total exports of packing materials to Indonesia grew 6.7% to US\$ 50 million, ranked 7th from 12th in previous year while import value rose 2.2% to US\$ 29 million
